RE: Motors Liquidation Company, et al, f/k/a "General Motors Corp., et al.
Chapter 11 Case No 09-50026 (REG)

Claim # 70305

This letter serves as an objection to the expunging of my claim on the grounds that the claim is a duplicate of Dex-Cool Class Action Claim # 51095. Since I have not received anything in the form of a settlement from Dex-Cool Class Action Settlement, please do not disallow or expunge my claim against Motors Liquidation Company, et al, f/k/a "General Motors Corp., et al. Claim # 70305.

To date, I have not received any verification, (copies of documents), that my claim is a duplication of a satisfied claim. My name is Theresa M. McHugh and I have been living at 215 Lathrop Road, Syracuse, NY 13219 for over 30-years. If someone else by the name of Theresa M. McHugh was paid any kind of settlement from either Motors Liquidation Company, et al, f/k/a "General Motors Corp., et al or Dex Cool Class Action, please advise.

Furthermore, if you cannot present a copy of a claim settlement payment check with my signature as the endorsee, it must be clear to all interested parties that my claim, (#70305), remains an outstanding obligation in this matter.

Please review your records at both the Dex-Cool Class Action cases and the General Motors claim cases to verify the true situation.

Please be advised that I am profoundly concerned that the security of my identity might have been compromised in the Dex-Cool Class Action Settlement claim, (#51095). I therefore request any or all information about this claim so that I can pursue proper recourse as would be expected if criminal activity has indeed occurred.

Sincerely,

Theresa M. McHugh

Note: copies forwarded to all requestors, as was letter on 2/4/11
